On Saturday, October 2, 2010, Randy and Lynette Dunn were in a serious motorcycle accident. Randy has been released from the hospital, and Lynette is still hospitalized due to trauma to her brain.

Randy, Lynette and their kids (Nicole and Wayne) are known throughout their community and surrounding communities, due to Randy's involvement as a fire-fighter and the entire family's volunteer efforts. The Dunn family has always been there to help everyone else, now it is their turn to receive some assistance. For more information, visit CaringBridge.org/visit/thedunnfamily.
